VOLUME 42, NO. 26

One of these lovely young ladies has been chosen Queen of the Wistaria for 1948. She will be crowned at a press party late this afternoon. Left to right: Janet Robinson, Evelyn Dorweiler, Sandra Bolan, Barbara Stoddart and Carmen Barella.

C. of C. Aims Civic Life Co-ordination

An active and working Chamber of Commerce should maintain an "open door policy" toward the problems of the property owner, business man and merchant.

This message was left last week with nearly 100 persons who attended the Sierra Madre Chamber of Commerce's 1st dinner meeting of 1948. The speaker was Irland Davis of the Los Angeles Chamber of Commerce's public relations department.

The speaker said that proof of a need for a Chamber of Commerce in promoting a community's growth and betterment is found in the fact that today there are 100 active and successful Chambers of Commerce in Los Angeles County.

"A Chamber of Commerce is concerned with the greatest good for the greatest number, and because nothing can be done singly in fulfilling a community's future hopes, every member must work without stint for the (Continued on page 2)

Queen Will Be Crowned At Garden

This afternoon at a press radio party The Wistaria Queen will receive her crown from actress Janette Leigh of MGM studios and the four princesses will be given gifts of silver bracelets. Clarence Bull an MGM photographer will be among the distinguished guests. If the weather is cool Mr. and Mrs. Richard Thayer will entertain their guests in the spacious living room overlooking the gardens assisted by their master of ceremonies, Walter Shanks.

To say that the Wistaria Gardens are more beautiful than ever is a very modest expression. The new lighting system installed this year has enhanced the charm of the grounds. The lighting gives a pastel atmosphere and accentuates the banks of azaleas along the entrance walk; it makes the beds of flowers appear to be in the sunlight but most effective of all is the lighting of the art terrace. The patio entrance of the old home has been used as a gallery for paintings of Sierra (Continued on page five)

Woman's Club Fetes 41st Year

The Forty-first birthday of the Sierra Madre Woman's Club will be observed next Wednesday afternoon, March 24th when Charter members and Past-Presidents will be guests of honor at a Birthday Tea. Mrs. Gertrude Johnson, voice-teacher of Pasadena will present two Sierra Madre pupils, Miss Nita Schifano and Robert Burris, in a program of light opera numbers.

The night section plan a surprise, also a number by Mrs. Sidney Hamill. The program will end up with an old fashioned spelling bee conducted by Miss Clara Sykes. The four best spellers will win a trip to Palm Springs. The Club was organized (Continued on page 2)

A Sierra Madre man, it has been disclosed, is largely responsible for the recently proposed Rapid Transit on Freeways to relieve the Metropolitan area. The tremendous plan represents a year's work for Carl T. Colt of 595 Elm. Mr. Colt, a Los Angeles business man was made chairman of the Mass Transportation Subcommittee of the Los Angeles Chamber of Commerce. He with Neil Petree made the basic survey and formulated the plan until it became of such magnitude that it was turned over recently to Rapid Transit Action Group. The Board of Supervisors voted approval of the plan and asked Governor Warren to urge that necessary legislative steps be taken at a special session.

year record of 51 fires a year. Of this total 41 but 5 were man-caused. Five were due to lightning; 5 were caused by debris burners; 34 were from varied causes such as fallen aircraft, automobiles, motorcycles, etc. 29 were due to carelessness of smokers—the greatest number from any single cause.

Fire being the greatest single enemy of the forests, it follows that the prevention of fire is first and foremost in importance. Nine out of every ten fires are man-caused. The complete record of the 1947 fire season, obtained from the Fire Dispatching office of the Forest Service, is quite alarming showing an increase in this type of fire. A total of 73 fires occurred in the Angeles National Forest, 22 more fires than over the past five

ATTENTION ALL ILLITERATE!

The Sierra Madre Chamber of Commerce gave formal notice this week that, armed with a self-pronouncing Spanish-English dictionary, it was going after the tongues of all those persons, including PE conductors who mispronounce the town's name.

At a meeting of the Chamber's board of directors, Frank Spencer pointed out that a few residents as well as strangers give out with such mispronunciations as "Sar-ah Mad-ra," "Sary Mad-ree," and "See-air Ma-dra." Watch your tongue, the Chamber asked, and advertise your town as "Se-air-a Mah'-drae."

Pioneer Days Parade Much Augmented

Three important events of Sierra Madre Pioneer Days have taken the attention of the Lions Executive Committee this week. The Sunday program, the Beard Contest and Parade Development.

There will be no activity on Sunday, the third day of festivities until after Church Services are over. Kiddies will not be distracted from Church Schools admonished the committee.

BEARD CONTEST OPENS APRIL 1

Secondly to relieve worry of those unable to raise beards or city commuters who might feel conspicuous at a Chamber of Commerce meeting in L. A. with a lustrous beard, there will be beard exemption tickets available soon.

Many new additions will be made to the parade this year; a band division and equestrian and possibly a pet and comic section. Prizes and ribbons are being prepared and the entry blanks will be in the hands of Sterling Ripple, Harold Drury, Norman Dumas and Lloyd Welch. This committee is open for parade suggestions and people should feel free to call or talk with anyone of the above if they have a good idea.

FBI Guest Speaker at Lions Dinner

Ira J. Kellogg from the Federal Bureau of Investigation will be the speaker at the Lions Club dinner this evening, stated Al Morgan, program chairman. Also Eddie Robertson, Sierra Madre postmaster, will discuss local postal conditions.

Easter Vacation

As is customary, the week preceding Easter signifies vacation time for school pupils. St. Rita holidays start March 24, and end March 31. School is out at Church of the Ascension March 25, and starts again April 4. The Nursery School at the Congregational Church will remain open throughout the holidays. The public school starts the Easter vacation Saturday, March 20 and, ending Sunday March 28.

Burglaries And Holdup Reported

Burglaries seem to be occurring more frequently. Romain Hogan reports that he was absent from his home at 219 Rancho Road, and returning found that the home had been forcibly entered.

Thursday night, the school workshop and lockers were broken into and an electric clock and electric sander taken. These were later found by the janitor in the hallway where they had evidently been returned.

Joe M. Maple, 564 W. Sierra Madre Blvd., reports the loss of between two and three thousand feet of lumber from the property on the north side of Grandview, east of Auburn, where he is constructing a house.

Harry Maxwell Graham, in charge of the pack train station at Chantry Flats, reports a hold-up Saturday evening. He was alone in the building when a knock sounded at the door and he called "Come in." Two men with bandannas over their faces and guns in their hands ordered Graham to put out the lights and they produced flashlights. They forced Graham to sit on the bed and ransacked the place and escaped with \$19.90 in cash.

A block was formed by Sierra Madre and Arcadia police cars at the Ranger station and all persons descending were stopped but no identification could be made.

Nat'l Guard Promotions

Promotions were in abundance at the National Guard meeting Monday evening in the City Hall Dugout. Sgt. Carl Culum was promoted to Staff Sgt.; Staff Sgt. Leon Jenkins to Tech-Sgt.; PFC Mike Castaneda to Cpl. and Pvt. Bradford B. Cushing to T-4. Privates promoted to PFC were: James McKeown, Richard Lambert, Victor Morgan and Joseph Cox.

Joe Edward Vernon, James Milton Harkins, and Maurice F. Orme enlisted as privates. A lecture was given on military intelligence followed by training with the Browning Automatic rifle.

\$180,000 BOND ISSUE FOR NEW BUILDINGS AND SITE WILL GO ON BALLOT

DR. ARTHUR O. PRITCHARD

Rites Sunday For Beloved Pastor

Despite a pouring rain the Congregational church was filled to capacity Sunday afternoon at four o'clock for the Vesper Service of Worship in memory of Dr. Arthur O. Pritchard. The service was held in the edifice, the building of which, was the crowning achievement of Dr. Pritchard's life as pastor and spiritual leader.

The service was conducted as a regular Vesper Hour by the pastor, Carl Smith, with the Chancel Choir and hymns by the congregation. There were no flowers except the one family piece.

Dr. Albert W. Palmer, moderator of the General Council of Congregational Churches, spoke to the church and Dr. F. D. Gaylord, retired superintendent of the California Conferences of Congregational Churches, spoke in behalf of Pilgrim Place at Claremont of which Dr. Pritchard was a member of the board of directors. Rudolph R. Hartman spoke as representing the (Continued on page 4)

Trustees Vote to Keep Seventh and Eighth Grades Here for 1948-49 Class

A special elementary school bond election of \$180,000 will be passed on by Sierra Madre voters next May 4.

This was decided by the School Board of Trustees at a special meeting Tuesday night.

Board President E. Waldo Ward pointed out that the bond issue which was unanimously approved by the board, would provide five classrooms which are badly needed to relieve present overcrowding. This fund would also provide for a site of about 5 acres, as recommended by the State Department of Education, and its development.

The bond issue to be voted upon would run for 19 years and be retired at the rate of \$10,000 a year except for the first two years during which this retirement amount would be \$5000. Its cost would amount to a maximum of 25 cents per hundred dollars of assessed valuation on the school tax rate.

By floating a bond issue of this size, the Sierra Madre school Dist. will be a position to take advantage of any state aid which might be made available by the legislature, Mr. Ward said.

At the same time the board approved a motion to keep seventh and eighth grade students in the Sierra Madre School during 1948-49. The board said these students would not be sent to Pasadena now because:

1. A large number of parents and practically all civic groups are opposed to such a move, and many people feel that this is one of the advantages of living in a suburban area.

2. A new junior high school will be erected within a few years in the Hastings Ranch area, and this would enable our seventh and eighth grade pupils to attend a school nearby and have their social activities thus kept "close to home."

3. This affects the proposed building program for the next school year as far as crowded conditions are concerned, because by September, 1949, a new school should be completed. (Continued on page five)

S.M. Designer To be Heard Over KWKW

Lloyd Howard has been selected by the California Staff of the Woman's Home League as their outstanding authority on home furnishings. Mr. Howard's experience as author, speaker and designer of home furnishings fit him admirably for the post.

Mr. Howard who owns the Howard Furniture Co. of Sierra Madre may be heard each Tuesday morning at 8:45 over KWKW 1430. The broadcast is in the form of an interview when he answers questions that women wish to know about good taste in furnishing the home plus giving the latest up to date information on home styling. The Woman's League has a registered listening audience of 78,500 in Los Angeles County.

The League is designed for improvement of the home, and outstanding authorities are selected as informants.

KIWANIS MEETS WITH GLENDORA WED., MARCH 17

A program with plenty of "punch" has been promised Kiwanis by Inter-Club Chairman, Bob Green, when they meet tomorrow noon at Glendale. There was no meeting Tuesday.

CHOIRS COMBINE IN GIVING STAINER'S CRUCIFIXION ON NIGHT OF GOOD FRIDAY

An event unique in the annals of Sierra Madre and one deserving of the hearty support of every individual in the community, will be a performance of Stainer's "Crucifixion" by the combined choirs of the Sierra Madre Congregational Church and the Church of the Ascension on Good Friday night, March 26 at 8:15 in the Congregational Church sanctuary. This is the first time that two local churches have joined forces in an undertaking of such magnitude.

This event was planned jointly by Kenneth Bush, director, Miss Jean Askew, organist and Rev. Carl Smith of the Congregational Church along with Stewart Matter, director, Mrs. Elizabeth Farrow, organist, and Rev. Har-

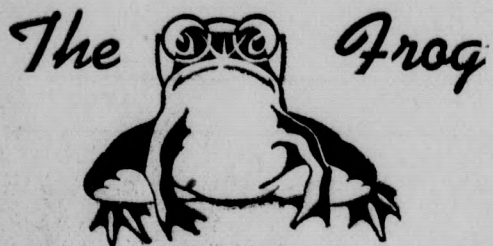

ley G. Smith, Jr. of the Church of the Ascension. In the words of Mr. Matter "The two choirs have as their objective the presentation of the Word of God through music to as large an audience as possible. We all realize the significance of music in worship and the tremendous force it exerts today in cementing the bonds of brotherhood. It is our privilege as musicians and Christians to bring the message of the Passion of Christ to our neighbors and if we can be the medium of expression in such manner as to effect a closer realization of Christ's ministry and sacrifice on earth and to somehow point out His way of life then we feel we have accomplished our purpose. If enough public interest is shown in this performance, it

is possible that future events can be arranged for other periods of the church year."

For this performance, the directors have secured the services of Ralph Hovel, tenor, and Robert Hiner, bass, soloists of the First Congregational Church, Los Angeles. Miss Askew will be at the console for this event and Mr. Matter will conduct. Special lighting effects are being arranged by Rudolph Hartman. The committee wishes to emphasize that this is a community venture and that the performance is open to every person regardless of creed. This is purely a sacred concert and no ritual will be observed nor will any admission charge be made. Your support is urged and your comments invited.

Wilson High Will Honor Gold Stars

Plans are underway for a memorial service March 30, at Wilson Junior High School. This will honor former students who gave their lives in the late war, and for George N. Boone, wartime principal. Two display cabinets will be presented to the school as memorials to Mr. Boone and the gold star graduates.

Miss Anna L. Davis, principal of Wilson Jr. High, is eager to obtain a complete list of students who should be so honored. Anyone having such information should call SYcamore 3-5111, extension 247. The assembly will be held at 2 P. M. in Willard Auditorium, corner Blanche St. and Madre Ave. All parents and friends of those to be honored are invited to attend the program.

good of the organization," Mr. Davis said.

"All civic problems—such as schools, zoning, water, and taxes—are Chamber problems."

The property owner, he declared, has as much at stake in a successful Chamber of Commerce as the businesses.

"In organizing to retain the buying power of an area, more money is spent in the home community, and this in turn means greater buying power for everyone concerned," he pointed out.

The dinner meeting opened the organization's concerted drive for full membership and support and co-operation of the residents of Sierra Madre.

Noren Eaton, Chamber president, presided. Carl Colt, a director of the Los Angeles Chamber of Commerce as well as a member of the Sierra Madre Chamber board of directors, introduced the guest speaker.

Entertainment was provided by the Norris Sisters.

Joins Husband In Japan for Two-Year Stay

With Tokyo, Japan as a destination, Mrs. W. E. Doty left Monday for San Francisco. In a few days she travels by plane to the Orient, where she will join her husband. For six months Mr. Doty has been working for the government in a civilian capacity, and they expect to remain two years.

Their home, 673 Mariposa, has been purchased by Mr. and Mrs. H. N. Wade II. Mr. Wade is a consulting engineer for a business firm in Colorado, and they spend part of the time there.

GIRL SCOUTS MAKE DENT IN BUILDING FUND

With nothing much more than crumbs left as testimony of success, Sierra Madre Girl Scouts reported yesterday that over \$400 profit was netted in the city-wide cookie sale, aimed to swell the building fund for the Girl Scout annex to the Youth Hut.

Total figure to be raised for the annex is \$1000. Further fund raising plans will be outlined next week.

At completion of financing the project will be turned over to the Plans Committee headed by Charles Morse, joined by Harold Spears, William Marmion, Robert Crowell, A. E. Morgan and Murray Latson.

Completed plans will be submitted to the City Council and Recreation Commission for final approval.

200 Witness Girl Scout Celebration

Over 200 Girl Scouts, Council members and parents attended the 36th birthday celebration of the foundation of the Girl Scouts, at Pritchard Hall, Congregational Church last Wednesday evening. All local troops including Brownies and Mariners were represented.

The program started with games and community singing, and piano selections were given by Mrs. Fannie Kingston. Mrs. Charles Skutt, program chairman, introduced Mrs. P. R. Woodworth, president of the Girl Scout Council, and Mrs. Dan Strite, Jr., last year's president, and told of their service to the organization. This was followed by a "Thank You" song.

Mariner Scout, Cynthia Rondeau, gave a short talk on "International Girl Scouts," telling of the international Scout conventions. A "Penny March" netted over \$25 to be sent to the Girl Scout Chalet in Switzerland. Every Summer Scout representatives from all over the World meet there for a conference.

Streamers of yellow and green adorned the walls and ceiling, and flowers of the same colors were on the refreshment table. Decorations were planned by Troop Six led by Mrs. Gertrude Gerke. Mrs. Pat Wilcox's Troop Seven were in charge of refreshments provided by the Council members, and served by Mariner Troop Three, Skipped by Jane Morse, Troop Eight headed by Mrs. Gertrude Haney, was the clean-up crew.

Fact-Finding Committee to Convene Wed.

The recently appointed Republican Fact-Finding Committee met last Thursday evening and heard Bruce Reagan and George L. Kelley of the 48th District present their qualifications as candidates for State Assemblyman in the coming election. The meeting was attended by many Sierra Madreans.

Since there were only two names presented, the Committee voted to hold another meeting Wednesday, March 24th, in order that additional candidates might have an opportunity to appear and be heard before the findings are presented to the voters of the 48th District.

Any one wishing to file as a candidate on the Republican ticket for State Assemblyman from the 48th District is invited to attend this second open meeting to be held at the Pasadena Athletic Club on Wednesday, March 24th, at 8 P. M.

VFW PREPARES FOR ELECTION OF OFFICERS

A big turnout is expected for the VFW dance the evening of March 27, as was stated at their meeting last week. A poppy sale is also planned, with proceeds to go to VFW War Orphan Charity.

Nominations for new officers in the VFW Post were: Commander, Louis Van Iersel; Sr. Vice, Carl A. Burt; Jr. Vice, Marion Gotcher; Chaplain, Jim Heasley Jr.; Richard Patterson, Lawrence Brain and John Kennedy; Quartermaster, Marston Blood, Lawrence Brain and Lawrence Perry; Trustee, Bert Smith, Marston Blood, and William G. Lindsay. Nominations close with the next meeting.

Residents of Sierra Madre will soon be able to identify merchant members of the Chamber of Commerce by the "New Look" on the window.

Decalcomania transfer window signs which will bear the familiar Wistaria blossom have been ordered and will be distributed to all Chamber members within six weeks. This will be the first time that the local Chamber has utilized such identifying signs.

The design, a circular shield, has been designed for the Chamber by Elmer Marvin Weese, well known artist and secretary of the Sierra Madre Arts Guild.

Mr. Weese, who has been prominently associated with the art group for many years, designed the pictorial pamphlet and map distributed during the 1947 Wistaria Fete. He also created the decorative mailing label used for the past 12 years by the Los Angeles Chamber of Commerce.

OFFICE HOURS ESTABLISHED BY LOCAL CHAMBER

The Chamber of Commerce announces present regular open office hours Tuesday and Thursday mornings from 9 to 12 in Room 5 of the City Hall.

Townpeople are urged to contact the Chamber on any matter in which the Chamber can be of assistance or service. All suggestions and helpful criticisms are welcome.

BALLING BABY TALK

By MAXINE BALLING

SEEMS I STARTED SOMETHING when I made mention two weeks ago that the Balling Baby Shop had a new line of girls' "Sea Foam" knit suits from the Hollywood Knitting Mills. The customers keep asking for them. I keep re-ordering. When I phoned in the last order, Mr. Seymour of the Hollywood Knitting Mills said, "Say, you gals! Leave us a few for the other stores in California!" Well, they ARE cute... and different. You'll just have to try them. They're pastel colors or royal blue and red. Sizes 2 to 6 are 12.95 and sizes 7 to 14 are 13.95. Capes to make it a three piece ensemble are 10.95 and 12.95. We have a few suits of the same materials, for boys. EASTER IS SUNDAY. AFTER-NEXT, YOU KNOW.

AND OH! the cutest little STRAW HATS just came in. Several different styles, including crown-outs, and salt or turn-ups with the ribbon down the back. There are colors and white. . . 2.95 and 3.95. . . AND EASTER IS SUNDAY. AFTER-NEXT, YOU KNOW.

MARGARET O'BRIEN, in addition to being a famous little star, is the name of a famous line of little girls' dresses, of which the Balling Baby Shop sells dozens and dozens. We just received some beautiful plaid gingham numbers. We also have lots of other dresses in white and pastels... perfect for Easter. . . 4.95 up. . . AND EASTER IS SUNDAY. AFTER-NEXT, YOU KNOW.

AND FOR BABY we have the sweetest little bonnets you ever saw... piques and organdies, some trimmed with eyelet. They're 2.25, 2.50 and 2.95. . . AND EASTER IS SUNDAY. AFTER-NEXT, YOU KNOW.

OTHER vital items you might want to check on before Easter might be underwear, panties, slips, gloves... and how about socks? We have boxes and boxes of socks... any colors... any sizes. And if there's anything else you need for little girls or boys to wear... we'll be sure you'll find it at the Balling Baby Shop, 301 1/2 South Myrtle Avenue, Monrovia. We wrap your purchases for gifts or mailing, free. . . AND EASTER IS SUNDAY. AFTER-NEXT, YOU KNOW!

McCarty Bros. Sell Ceramic Industry Here

McCarty Bros. Ceramics which started as an artistic venture in a one-room greenhouse and grew to the \$70,000 plant it is today, has been sold. Stewart B. McCulloch, a veteran of 25 years in the pottery business, assumed position as owner, Monday. Mr. McCulloch owned the Stewart Ceramic Industry of Los Angeles, which burned several months ago. The present staff will be retained, with Howard Whalen and Andy Malinosky in charge.

Lee and Willard McCarty moved here in 1940 and started a small pottery in their back yard as a hobby. During the war when Willard was in the Army, Lee kept designing figurines. The China Boy and Girl, his first numbers were completely hand done. He employed two people and they turned out 75 per week. Today there are 27 employees and an average of 1200 figurines a week are produced.

The popularity of the China figurines and other originals grew and more people were hired. In 1946 they built a steel plant on East Montecito.

A fine chemist, Lee McCarty, has developed many glazes, colors, and porcelains. Recently, with the aid of Mr. Malinosky, he perfected a true Chinese Red. It took three years and over 3,000 experiments.

In a few days Lee McCarty and his sister, Dell, are driving North, and will search for "40 acres of land with an apple orchard, where we can build a home and pool, and perhaps start another small pottery."

When their present home is sold and a desirable piece of land found, the family, including Mr. and Mrs. Lee McCarty, Mr. and Mrs. Willard McCarty, and Miss Dell and Mrs. Grace McCarty will move North. The mother, Mrs. Grace McCarty, is a well-known voice coach.

As an able portrait and landscape painter, Lee McCarty remarked, "I want to get back to painting, as I haven't had much time for it lately. I'd also like to do some sculpturing, and further develop the Chinese Red. I may even design some new figurines."

RUBY W. BAKER PASSES AWAY IN GLENDALE SUNDAY

After a five-week illness, Mrs. Ruby W. Baker passed away in a Glendale hospital, Sunday morning. She had resided with her husband, Walter, on West Highland, since building their home shortly before Christmas, 1947.

Mrs. Baker was born in Texas in 1902, and has lived in California 28 years. She was lately affiliated with a realty company in Arcadia, her former home.

Besides her husband, she is survived by a son, John Waddell of this city, and daughter, Mrs. Don Castle, of El Monte. Services were Wednesday in Pasadena. Interment at Mountain View.

FIRE DEPARTMENT CALLED OUT TUESDAY

The Fire Department was called to the R. A. Nash Antique Shop, 20 South Baldwin Tuesday noon by the burning of insulation in the car parked at the rear. The fire was supposed to have started from a short circuit, and was easily extinguished.

Mrs. Edith Smith has joined the community of Sierra Madre. She with her nephew, Paul Parker and Aunt, Mrs. Marjorie Hobson, moved into the property at 277 W. Highland, two weeks ago Mrs. Smith bought of the Simon Lindbergs.

Dr. Cottrell To Speak at Tax Seminar

The Sierra Madre Property Owners' Association will present a program of government efficiency this evening in the school auditorium at 8 p. m.

congregation of the local church.

Dr. Pritchard's influence, so deeply woven into the life of Sierra Madre for the past generation, will live forever. He came to Sierra Madre in 1926 and built the present church in 1928 and on retirement in 1940 was appointed pastor emeritus.

Dr. Pritchard was active in many civic affairs, served on the Board during the war, sold bonds and was Chairman of the Red Cross Finance Committee for five years. He was a charter member of the Sierra Madre Kiwanis Club and served as its president during 1936; was on the board of directors of the Historical Society of Sierra Madre (the meetings having been held in his home for the past seven years).

Dr. Pritchard was born April 2, 1876, in Newport, Rhode Island. He graduated from Brown University in the class of 1900, received his Doctor of Divinity degree from Brown in 1940. Dr. Pritchard received his Master's degree from Columbia University in 1903, also graduating from Union Theological Seminary in N. Y. City in 1903. He was Pastor of the Westchester Congregational Church in Scarsdale, N. Y. for 15 years from 1903 to 1918. He was the acting Pastor of the Pomona First Congregational Church for 9 months from 1918 to 1919. Pastor of the Westminster Presbyterian Church in Pasadena from 1919 to 1921. Asst. Pastor of the First Congregational Church of Pasadena from 1924 to 1926.

Dr. Pritchard was married in 1909 to Miss Emeline Gunning of Scarsdale, N. Y. who passed away in October, 1930. There was one son, Arthur O. Pritchard, Jr., who now resides at Berkeley, California. In 1934 Dr. Pritchard was married to Mrs. Alice Spencer Jones of Sierra Madre who died in August of 1938.

Dr. Pritchard's home was at 121 East Alegria which was shared by his surviving sister, Miss Martha Pritchard. His brief illness at St. Luke Hospital came to a sudden close March 12th. The last rites were private at Mountain View Cemetery, Monday. Friends were allowed to call at the Grant Chapel Saturday afternoon and Sunday morning.

The family had requested that flowers be omitted, only a living Memorial made to the new Rest Home in Pilgrim Place or to the Congregational Church of Sierra Madre.

RED CROSS FUND DRIVE QUOTA MADE

Mark Dailey, chairman of the 1948-49 Fund Drive would like to offer his heartfelt thanks to the Captains and workers whose untiring efforts put over this drive.

While confident of the ultimate outcome, Mr. Dailey states that without the wonderful work of the field workers it would have been a hopeless task.

Mr. Dailey also wishes to thank the citizens of Sierra Madre whose courteous treatment of the house-to-house workers made their work less burdensome and also for their generosity in giving to the limit of their financial ability, thus making the 1948-49 Fund Drive for their American Red Cross a big success, for this we again thank you.

The District Captains were as follows:

- No. 1. Mrs. Harold Spears.
- No. 2. Mrs. Wallace Goodwin and Mrs. Stephen Jackson.
- No. 3. Mrs. Carmen Johnson.
- No. 4. Mrs. Sam Haskins.
- No. 5. Mrs. C. A. Vane.
- No. 6. Mrs. Ralph Cordry.
- No. 7. Mrs. William Wilcox.
- No. 8. Mrs. Fred Morgan.
- No. 9. Mrs. Leslie A. Webster.
- No. 10. Mrs. William Burns.

Business—Don Jackson and Harry A. Lange.

Yesterday was "cut-over day" for approximately 3221 Southern California Edison customers here who are served by the electric distribution line changed to 60-cycle current. Other lines will be changed at intervals of a few days until all of this vicinity has been changed to the new frequency.

"Most 50-cycle appliances now in use will operate as well on 60-cycle current without adjustment, as explained in the folder mailed to customers with their 'cut-over notices,'" said L. E. Jenkins, Edison District Manager.

Statement by Council Aspirant

"Most citizens want to help their own community to advancement and development and that is my only interest in seeking the office of councilman." Thus spoke candidate Charles Stephens.

"The charm and beauty of Sierra Madre makes it a residential paradise and it is my desire to place my time and interests at the disposal of my fellow citizens to help further its development. And to administer a progressive civic government of efficiency."

"I believe full use should be made of all available funds for the development of Sierra Madre, without placing additional burdens on the taxpayer."

"Any person holding a public office should be available at any time, to meet his fellow taxpayers with their complaints or suggestions, on a person to person basis."

Charles Stephens, for fifteen years western manager of a large insurance firm, is a citrus rancher and insurance broker. He has been a resident and owner of the Seven Oaks Ranch in Sierra Madre for the past seven years.

He was born in Kentucky forty-two years ago and has been a resident of California for forty years. "Steve" attended grammar and high schools at San Bernardino and is a graduate engineer of the University of Southern California, class of '32.

EASTER VISIT AT GEORGETOWN

Mr. and Mrs. B. S. Stinman of Georgetown, Calif., are anticipating the arrival of their daughter, Mrs. Marjorie Peterson and children, Dan Lee and Muriel of Sierra Madre Saturday for an Easter week vacation.

SCHOOL BOND VOTE

(Continued from page 1)

It was believed that if the bond issue is approved by two-thirds of all those persons voting, construction could begin in the fall of 1948 and the new structure ready for classes the following year. Any bond issue requires a two-thirds majority to pass.

This action was the culmination of a special public hearing which began in the school cafeteria Monday night. Nearly 80 persons attended the hearing before School Trustees Howell White and Mrs. Edith Dane. Decision was deferred because of the absence of Mr. Ward.

Although several persons attending the meeting protested any decision other than purchase of a site, Mr. White pointed out, however, that it would take 18 months to get a building constructed and that the needs "are too pressing."

Pleas for immediate setting of the bond election came from many persons prominent in Sierra Madre civic activities.

The Rev. Carl Smith, pastor of the Congregational Church, declared that Americans "spend three times as much for cosmetics and two and a half times as much for liquor as they do for schools."

He said that to maintain the level of education "we've got to supply the equipment."

Chamber of Commerce President Noren Eaton said, "We need additional school facilities, and... the school board should get it on the ballot so that the people can express their opinion."

"The new kindergarten class each year will be larger," Harold Clardy pointed out. "The outgoing class will be less than half the size of the incoming class. We must do something and do it soon."

Dr. Nathan Jacobs urged the board to take the "necessary steps" to provide building funds.

"To allow our children to suffer the consequences of such overcrowding while awaiting a time when property values and building costs decline is grossly unjust to our children. We would be shirking our responsibilities as parents by measuring the values of education and citizenship in terms of dollars and cents."

Mrs. Grace Vane, secretary of the Property Owners Association, protested any present building, but she agreed that a site should be acquired to preclude encroachment of subdivisions.

A point of contention at the meeting was the question of whether to send seventh and eighth grade students to Pasadena immediately.

George Parr stated that taxes would not be altered by a switch now. Others, such as Milton Goldberg, expressed concern over the sending of small children to Pasadena.

Mr. White pointed out that "we have no intention of carrying on a building program which would include the seventh and eighth grades."

Architect Ralph C. Flewelling, who has been tentatively retained by the board, said that economically constructed mod-

ern units of two classrooms each would cost about \$26,000. Use of such units would allow for future expansion without disruption of overall planning.

Both Herman Barter, and Paul N. Carter, asked the board to consider the possibility of future subdivision of the upper Hastings Ranch when selecting a site for a new school.

Ted Stetson pointed out that "the experience of other schools has shown that any piece of property for a school site that is under 5 acres is too small." He urged that room for expansion be provided.

Mrs. Nettie Jacobs in pointing out the Parent-Teacher Association stand on school construction, said "If we send the seventh and eighth grades to Pasadena now, this school would still be operating what I would call and what the state would call substandard classrooms because of overcrowding."

WHEN LIVING COSTS WENT SKY-HIGH... GAS STAYED DOWN!

The ups and downs of high food prices have stolen the newspaper headlines—but here's a cost of living item you may have overlooked: the Gas you use to cook your family meals has not increased in cost since 1939!

The fact is—the price of gas is even lower than it was back in '39. And by comparison, the higher other living costs have gone, the greater "bargain" gas has become.

We don't mean to claim all the credit, either—even though so far, the line has been held. It has taken a lot of "know how" and kept us on our toes.

There have been other factors, too. The greatly increased use of gas per household is one. Southern California's growth is another. But where these conditions have helped us by adding to our revenue, they have also added heavily to our operating costs. They have helped us to offset steadily climbing expenses—for payrolls, taxes, materials and even the cost of gas in the field. But the cost of extending our service to take care of new customers is running from 2½ to 3 times higher than it was in 1939.

As it probably is in your own household—keeping on the right side of the ledger has been a problem. Among our responsibilities has been the provision of an additional supply of low-cost gas for this enormously growing area. The nearest practical source was some 1,200 miles away. To make it available, we participated in one of the biggest natural gas projects on record. The mammoth \$70,000,000 Texas-California pipeline was constructed, and on November 13 was put in operation.

Dependable, low-cost service is just one of the reasons why virtually everyone in Southern California can use gas—for cooking, water heating, house heating, refrigeration.

WEE FOLKS BIRTHDAY GUESTS FRIDAY

A birthday party was given Friday in the Chas. A. Skutt home, 111 North Hermosa, for four-year-old daughter, Linda Marie. Young guests were: Roger Skutt, Paul and Virginia Schmitt, Bobby Schahn, David Foxton, Judy Thompson, Freddie White, Marion Black, Mary Ann Hutcherson, Susan Bryant, Terry Davidson, Marie Therese Daniels and Laurie Gale.

BRIGHTER COLOR

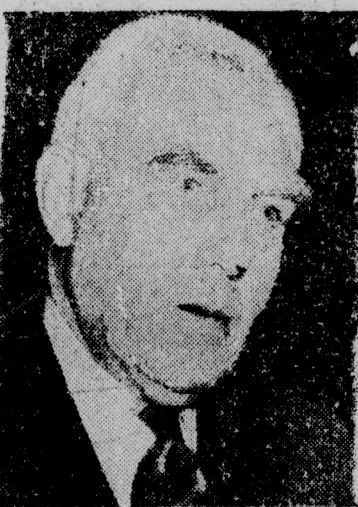

Bright color is lavishing the male wardrobe on an ever growing scale. Even functional sportswear, long confined to the duller end of the spectrum, is surrendering to the influence of sunny colors. A pioneer in this trend is the noted sports apparel house of Berkay, now introducing a poplin casual jacket in pastel tones. When it comes to leisure wear, men are likely to out-do women in the gaiety of their ensembles.

A trend toward more comfort is another keynote of the Spring style picture, dramatically illustrated by the ingenious Daks trouser. Tailored by Britain's famous S. Simpson Ltd., Daks completely do away with the need for a belt. The secret is in the snug elastic waistband which conceals five sponge rubber pads. Result: slacks stay up and shirt stays down, without benefit of belt or suspenders, even when you take those mighty swings at the golf ball. Clever of these British.

NO PAUPER... E. T. Maynard, Chicago speculator, leaves meeting of senate grain gambling investigators after being called to explain how he made between \$200,000 and \$400,000 in recent commodity market tumble.

HARD-HEADED... Earl O. Shreve, president of the U. S. chamber of commerce, put himself on record as endorsing the Marshall plan, but stipulated that it be backed up with "hard-headed business experience" and economy in government at home.

After standing guard over Sierra Madre for the past eleven years, the flag pole at the intersection of Central and Baldwin has finally given place to the demands of automobile drivers who have found it a nuisance and in some cases a menace to safety.

A delightful musicale was given in the home of Mr. and Mrs. J. N. Hawks at their Grandview home Sunday evening. Numbers were given by a trio composed of Randolph Wood,

violin, Oscar Rasbach, piano, and Herbert Ingraham, cello. Mrs. Randolph Wood gave several vocal numbers and there were piano numbers by Mrs. Gilbert Bovard. A short skit was presented by Dave Buchanan and J. N. Hawks, and Mrs. E. E. Allen gave several readings.

Civic pride in the Wistaria fete should call forth a response to the "clean-up" week which the city is staging, according to J. E. Carpenter, street superintendent.

Targets have been placed in the basement of the City Hall, and the city officers are able to get rifle and pistol practice whenever desired.

Crews of boys from Los Angeles Crest C. C. Camp are busily constructing a new trail into Big Santa Anita Canyon over which supplies can be carried in by pack to the inhabitants and visitors marooned by last week's storm.

Hollywood stars will be presented when Pat West stages the St. Patrick's celebration for the Veterans of Foreign Wars

at the grammar school auditorium tomorrow evening.

Newspaper publishers and writers from all parts of Southern California will be here today as luncheon guests of the Wistaria Gardens to preview the 1938 fete.

A ten year old boy, Harry Ferguson, during the flood, discovered the beams under the bridge over Eaton Wash were splintered and the bridge was going out. None of the adults present, including four reporters, seemed to believe just a "kid". When the big red train hove into view, and still no one listened, he flagged the motor-man to tell him of his findings. The bridge gave way within an hour.

Newly elected local student officers at Woodrow Wilson Jr. High School are Elizabeth Tarr, and Marvin Thomas, presidents; with Dorothy Alley, Neal Mat-singer and Margarette Adwell in secretarial offices.

WHEN YOU SHARE A LINE

In order to provide telephone service to as many as possible, a large number of people are on party lines today—sharing their telephone time with others.

Thoughtfulness and consideration of telephone neighbors will keep things running smoothly—and by following a few simple rules, inconvenience and irritation can be avoided.

Do not tie up the telephone too long. . . Space your calls—don't make one right after another. . . When using a dial telephone, be sure the line is clear before you dial. . . Ask your children not to monopolize the telephone. . . Replace the receiver properly when you have finished talking.

If you follow these rules for party-line cooperation your telephone neighbors will be grateful—and so will we. Thank you.

SPECIAL MUSIC PALM SUNDAY AT THE CHURCH OF THE ASCENSION

Palm Sunday will be observed in the Episcopal Church of the Ascension, corner of North Baldwin and Laurel Avenues with special music and services.

At 8:00 A. M. there will be a celebration of the Holy Communion. It is necessary this year to have two choral services to handle the attendance.

9:30 A. M. there will be blessing and distribution of Palms followed by Procession and Choral Eucharist with the Rector Fr. Smith as celebrant of the Mass.

The Junior Choir under the direction of Mrs. Elizabeth Farrow will sing Cruikshank's setting of the Mass. The Anthem

at the offertory will be "Jerusalem" by Henry Parker.

11:00 A. M. The Blessing and distribution of Palms will be repeated. During the distribution Maurice Perkins will sing "The Palms" by Faure. The choir under the direction of Stewart Matter will sing "The Missa Marialis." The anthem will be "Light of Light" by LeJeune with trombone obligato, by Ted Matter. The church will be decorated with Palms and in the Procession of the Palms the choir will carry Palms. Cantors for "Gloria Laus et Honor" will be Hall Perry and James Pettit. The Rector's sermon will be "Holy Week with Christ."

MRS. THAYER'S PROGRAM TO BE HOLY WEEK SCENES

Mrs. Caroline Thayer will give the second series of Palestine pictures in color at the Park House next Sunday afternoon and evening at three and seven P. M. The selections will be taken from the last week of Christ's life and the Resurrection. Mrs. Thayer suggests that if anyone has a special Bible story which they are interested in she will be glad to illustrate with her pictures. The slides are really very beautiful and artistically projected with a double lense.

Hours and Grading Announced for New Church School Plan

A change of hours and a method of grading Church School attendance has been announced by the Congregational Church School. Beginning April 4, 1948, the hours for the Nursery, Kindergarten, Primary and Lower Juniors (3rd and 4th grades) will be 10:45 a. m. to 12 noon. The Upper Juniors, Junior High and Adults will continue as they are: 9:30-10:40 a. m. A competent staff and equipped Nursery will be maintained for infants during the Church School hours.

The grading of Church School attendance will become effective April 4th also. Parents are requested to help the children in attending Church School that they may attain the highest score possible.

PALM SUNDAY AT BETHANY CHURCH

Bethany Church will have a message "Triumph and Treachery" and special music, Palm Sunday. There will be a service at 2 P. M. Good Friday.

HOLY WEEK PROGRAM ANNOUNCED FOR CONGREGATIONAL CHURCH

SHIELDS RITES WEDNESDAY AT GRANT CHAPEL

Charles Darwin Shields passed away March 14, at St. Luke Hospital. Born September 17, 1883, in Waynesboro, Pennsylvania, he received schooling there and

Charles Darwin Shields

was a member of the Trinity Reform Church. In 1903, he came to Los Angeles and moved to 282 Santa Anita Court, Sierra Madre, in 1923. A baker by trade, he was affiliated with the Baker's Organization for 40 years and was an official 35 years. He was also a member of the Fraternal Order of Eagles, and belonged to the Aerie 102 of Los Angeles. Mr. Shields is survived by a wife, Nellie Shields; three daughters: Beulah Bennett and Margery Wilson of Sierra Madre, and Leona Gallagher of Pasadena. Also a brother, John Shields of Seattle, and seven grandchildren. Services were Wednesday at Grant Chapel, with Rev. Clarence Nida, officiating. Interment was at Mountain View.

The Sierra Madre Congregational Church will open its observance of Holy Week with the Palm Sunday service. At 9:30 there will be a service for the Church School children and their parents. This will be followed by the service of Divine worship at 11 o'clock with the reception of members into the church. There will be special Choral Anthems by the Chancel Choir and the sermon by the minister—"A Mission that Succeeded."

The Vigil of Maundy Thursday will open with the Holy Communion at 8:00 p. m. followed by the Office of Tenebrae and the Extinguishing of the Lights, symbolic of the flight of the Disciples.

On Good Friday evening at 8:00 o'clock the choir of The Church of the Ascension and the Congregational Church unite to present "The Crucifixion" by John Stainer—a musical meditation on the Sacred Passion of the Holy Redeemer.

On Easter Sunday morning there will be two identical services of worship at 9:30 and 11 o'clock, with a special invitation to parents and their children to worship together at the 9:30 hour. There will be special choral music and christening of infants and the Easter sermon by the minister on the theme: "He Appeared to Me Also."

A cordial invitation is extended to all to join in the observance of this sacred season of devotion and praise.

PRE-EASTER AT NAZARENE CHURCH

Pre-Easter program at the Church of the Nazarene will be 10 days of special meetings with Evangelist L. D. Sharp speaking at 7:30 each evening. There will be special music.

Pass the pickled avocados, please, and don't blink your eyes. There are such things.

There is also an avocado sauce, avocado butter and avocado mayonnaise—made and packed commercially for the first time anywhere (that we know of or can find out about) by Carl Fine of El Monte in Los Angeles County.

Researchers have tried for years, avocado co-operatives have poured money into experiments, all seeking to find a way to pack the highly perishable fruit commercially. But it wasn't until a year ago that Fine succeeded. To date this season he has packed 70,000 jars.

It happened this way: Mr. Fine was head man of a large Los Angeles store. For a long time he pickled and packed around in the delicatessen section trying to make an avocado salad that would not turn dark. No luck—as any housewife could tell you.

Then one day he hit on an idea and began experimenting at home. He not only found out how to keep fruit from darkening, but also how to pack it.

He patented the procedure which he says is "sterilizing the avocado by electrical temperature." This, he says, neutralizes the acid which begins to work in the fruit shortly after the skin is broken.

Interesting note is that his first shipment, to a New York food store, was picked up by enforcement officers of the Pure Food and Drug Act. After exhaustive tests they paid in full for the shipment and passed it as pure and wholesome. What a sigh of relief must have whistled through El Monte!

Today the whole Fine family works together to put out six different types of avocado products. Mr. Fine says he has a list of 21 kinds that eventually will be packed.

The avocado is on its way out of the cooler, headed for the pantry shelf.

What brought this all to mind is that the season is with us. All through Southern California the big pear-shaped fruits are being gathered for local and Eastern markets.

As one thing leads to another the next column stop is also a family project. Only this is picking, not packing and it is going on in 10 acres of glossy-treed hills of La Habra over in Orange County.

Rattling around in the foliage are mother, father, daughter, 18 daughter, 14 son, 10 son, 5, and ancient dog.

Father is perched in the top of a tree with a long handled clipper. Hanging from the blades is a little bag which neatly catches the fruit as the stem is snipped. The bag is lowered to mother who empties the fruit into a field box and advises father.

The beau of daughter, 18, is likewise in the top of a tree with the object of his affections also dispensing free information. Daughter, 15, sits in a tree to

FIRE FLAMES

The men of the fire department are going to miss B. C. McDonald who passed away during the past week. "Mac," as he was known by the fire fighters, was ever ready to befriend and uphold anything that pertained to the Sierra Madre Fire Department. He was one of the many who are ready with a word of encouragement to those of us who might become discouraged when we thought that things went wrong. His past experiences with the general public made him wise in many things. His advice was sought on occasions when things looked blue. His decisions may have saved some of us from complete discouragement. He was a father to all of us, despite that he was not really a great deal older than some of us. He just knew people. Before he became too ill to attend our regular meetings, he was always a welcome guest. His interest was such that at no time did he forget the fire fighters. When a location was in doubt as to where to hold the annual Fourth of July picnic, he, with his gracious wife, urgently invited the aggregation to use their large and spacious grounds. To say that it was a pleasure for them to do this is only making a mild statement. For weeks he would plan and talk of the visit of the "fire boys." He really looked forward to the occasion. "Mac" will long be remembered by the men of the department. He will be missed by those who have had the pleasure of knowing him. To do something to add pleasure to people was his aim. It will be long before we will fully realize that "Mac" will not pay us another visit. We have lost a FRIEND.

The recent fire call into the Canyon District could have been mighty fatal and tragic. Because some one failed to get the exact location before calling, was cause for much confusion. Fortunately, there was not a dangerous fire of a dwelling or

herself and reports on what she can see the neighbors doing, but her father keeps shouting, "Pick avocados!" Below on the ground son, 10, runs eagerly beaverly around with field boxes while son, 5, and an ancient dog lie in the leaves and kick their heels in the air.

Incompetent as all this en famille business sounds, the actual work reports show that over last week end the group picked 50 field boxes—2000 pounds. A great institution, the family.

Some informal information on the avocado presents the fact that its name derives from the Aztec "ahuacatl" which later became the Spanish word, "aguacate."

The tree which is a relative of the laurel family grew originally in South America. It was first brought to the United States in 1833—to Florida, that is. Its advent in California took place in 1856 when Thomas J. White established some near San Gabriel.

The last pertinent fact is that this year's crop is very light. Enjoy them while you can.

forest. It was only a man burning a pile of scrap wood. (And without a permit so to do.) The smoke issuing forth from this was reason for alarm and was the real reason for the fire call. The run into the canyon once more proved to us (and should prove to others) that a complete tie-up of traffic is possible. Can't we as people realize the importance of a clearway for the fire equipment? Why don't those who are so curious to see a fire burn, at least wait until it gets a good start and the fire fighters get at least around it?

This following the fire apparatus is a serious matter. It could mean life and death and the reason for much fire loss. There is a law against it and just because most of the times, the police officers are busy fighting the fire, is no reason why at some time or other, you will not be cited for violating the law. If for no other reason, you should be fair to the fire fighters and give them a chance to do the best they know how. The fire may be near your home but impeding the work of the fire fighters is not going to help save your own home. If those who read this column will spread the word of the danger of following the fire apparatus, it will be a much better way of educating folks than to bring them into court for a law violation. We are not after fines or arrests we want to keep down the fire loss of our city. That's our principal aim.

Well, well well—did we have a party or did we? Only three members and their wives were missing last Saturday evening. All had good excuses. Such a time, we had. It was worth the

price just to hear Vernon Udell recite the poem about Bill Estes goat. "Home-made" entertainment proved to be the best after all. The unknown talent amidst the fire fighters personnel is surprising. Singers, dancers, fortune tellers, musicians, story tellers, well—there was just about any type of entertainment that could be asked for. If this reporter has a voice in the matter, fire event will be repeated at least annually. If I have any backing in this opinion, would those who are in favor, please make it known.

We do our utmost to make our job as fire fighters a job of pleasure. One of the greatest pleasures is to know that we have passed another week without a fire call. The principal concern is FIRES OUT.

DEATH COMES TO W. L. RHOADES AT AGE OF 74

Death claimed William Laurence Rhoades at his home 529 W. Highland Avenue early Tuesday. Mr. Rhoades came to Sierra Madre with his father in 1874, when he was three years old. He was born in Skanates, New York. His father built what is now the Sierra Madre Villa.

Although handicapped by poor sight most of his life Mr. Rhoades lived a life of accomplishment. He was a retired manager of Northwest Territory Paraffine Corporation, Inc. He was much interested in local history; he was a member of the Pasadena Historical Society, a Past President of the Sierra Madre Historical Society. He was an honorary member of the Pioneer Society of Pasadena and was Past President of the Braille Club of Los Angeles.

He is survived by a wife, Frances Marie Rhoades, a brother Fred C. Rhoades of Los Angeles, two sisters, Miss Anita Rhoades of Santa Cruz, and Mrs. Frank H. Gardiner, of San Francisco. Services will be held Friday 10:30 a. m. at Grant Chapel with Rev. John F. Scott officiating. Interment will be in San Gabriel Cemetery.

American Premiere of the Long Lost Rachmaninoff Symphony to be heard

By Tommy Ann Miller

For the first time in America the Sergei Rachmaninoff "First Symphony in D Minor" will be given by the Philadelphia Orchestra, and Eugene Ormandy, Saturday. The work written in 1895, when the composer was 22, was performed two years later in St. Petersburg and received a cool reception and a bad press. This plunged the youthful Rachmaninoff into such a state of depression that he gave up composition for over a year. Though the composer's copy is lost, the present score was made from orchestral parts found in the archives of the Leningrad Conservatory two years ago.

The "Saturday Concert Series" presented each Spring and Summer will be resumed and feature guest conductors and soloists. Josef Stopak former music director of the Pittsburgh Light Opera Festival will be first on the podium. An all-Brahms program will be highlighted by Violinist Bronislav Gimpel playing the "Violin Concerto." Gimpel recently returned from a successful European tour.

The music of Grieg and Rachmaninoff has been chosen by Arthur Rubinstein when he appears on the "Telephone Hour." He will be heard in the perennial concert favorite "Prelude in C Sharp Minor," by Rachmaninoff, and Grieg's "Piano-Concerto in A Minor."

Thursday, March 18—

(8:00-10:00 PM KFAC) Two hours of the chamber music of Beethoven, Mozart, and Schubert performed by fine artists like Arthur Schnabel, and Yehudi Menuhin, will be excellent listening.

Friday, March 19—

(8:00-10:00 PM. KFAC)—Pan American music is the weekly concert feature.

POLICE BLOTTER

Before he could get into his car, the police were called and a resident was saved the embarrassment of being a "502." (Which means driving while intoxicated).

Smoke near the mountains. Man had a permit . . . A "three car traffic accident" . . . Lumber stolen . . . Stuart Hamblen, of radio fame, came in to claim the horse that Bill Chunn and Jim Heasley enjoyed taking to the green grass at the City grounds. . . Boys with rifle frighten a man, who stated that they pointed the gun towards him. A dangerous habit, if there ever was one. Pointing a gun at a person is inviting death.

Too many drinks, too many times, is cause for objections from the whole family and the man of the house must do better, or else. . . Fumigating a house is reason enough to notify the cops. . . Dogs, dogs, dogs, found the dogs! Three of 'em ran from their yard and scared a lady into falling to the pavement. She sprained her wrist. . . Fruit thieves . . . Lost dog! . . . Noisy dogs! . . . Cars in orchard were objectionable. . . Burglary at the school! . . . Another theft, a rifle. . . Dog bite. . . A man came in to report to the police that he was leaving wife and home, at wife's request. . . Dog fight! This was really a pitiful affair. One little doggie was badly torn up. . . Car in the gutter. . . A sick man reported. He was in the gutter. . . Not sufficient lights around the "sewer job" brings the cops after the watchman. . . Prowler. . . "Light in the mountains" . . . A stray dog proves to be the lost dog. Everybody happy. . . A kitty got into the drain near the P. E. station. Dave Gilmore discovered it. With the aid of Ralph and Ralph's small son, the kitty was removed from its possible grave.

SIERRA MADRE NEWS-9

(The cops were too late to assist.) . . . Car overturned. . . A "hold-up" reported at the pack train station. . . Another warrant for local folks. . . Again the cars in the orchard are objectionable. . . After knocking over a sign post, the driver reported to the police station and requested that she be allowed to pay for the damage. Now that is different. . . A watch is missed and found all in the same day. . . Dog hit by car. Killed. . . An abandoned motorcycle. . . Police and doctor called to the new reservoir near the ranger station. Boy struck by flying timber. Injury not serious. . . Auto fire.

DO YOU RECALL

MARCH 11, 1928

During a recent PTA meeting, a committee was appointed to study state school laws regarding possibilities and limitations of the local school—they are: Mrs. C. L. Tarter, Mrs. James Heasley, and Mrs. W. C. Grut. Following the luncheon Mrs. W. E. Pratt presented one of her small pupils, Betty Jo Adams, not yet of kindergarten age, in a recitation of "Going With Daddy to the Shaving Shop." The tiny tot showed a dramatic aptitude which astonished her audience.

Alfred J. Dewey of Marlboro Terrace, and Albert Marshall, a fellow artist, left ten days ago for a sketching and painting trip on the Colorado Desert.

Flames entirely engulfed the picturesque ranch home of Charles H. Hastings, in a spectacular early-evening fire. Loss was estimated at \$60,000 and the origin of the blaze has not yet been determined. The housekeeper believes a spark from the library grate may have started the conflagration.

The cast gave a splendid interpretation of the play "Peg O' My Heart," presented recently under the auspices of the Woman's Society of the Congregational Church. Miss Betty Moore was "Peg," and Jack Hosford played "Jerry."

Harold F. Roberts will re-enter the local field in the near future with a new fruit and vegetable market in the Isaacs building, 10 West Central.

Bruce Russell, cartoonist on the Los Angeles Times, and a resident of Sierra Madre, was awarded sixth prize for a forestry cartoon entered in a national contest.

Mrs. Conners Twycross and small son, Randolph, played a piano duet during the social hour of a recent meeting of the Friendship Club of the Congregational Church.

MARCH 11, 1938

Terrified for a few hours Wednesday as water streamed down the mountainsides over the city streets and alarming reports came in from damage being suffered in other areas, Sierra Madre came out of the greatest storm of a generation with the least injury of any Southern California community. The house of Major Lillville, on a perilous edge of Woodland Road, in the Canyon Park area, slipped off its foundation and slid into the Little Santa Anita.

Francis Dane, recently awarded the Congressional Medal of Honor for his work with the Byrd expedition at the South Pole, will tell of his experiences at the Wistaria Vine Gardens, Sunday evening.

That most of the economic ills of America can be cured by '49 is the belief of Leland J. Fogg, who outlined the "49'er" plan to the Sierra Madre Forum, Tuesday.

The movement to organize the orchestra for Sierra Madre boys and girls was recently launched by Jack S. Shearer, experienced bandsman.

Archbishop J. J. Cantwell will confirm a class of 31 young people of St. Rita Parish, Sunday.

Mrs. C. R. Smith received a letter from her cousin, Miss Clara Sykes, that after visiting in Hilo, Hawaii, she will sail for Sidney, Australia, for several months visit.

Ten probable candidates for the City Council appeared this week when nominating petitions were taken out in behalf of five candidates including Mayor H. C. Reavis, Councilmen Lester K. Layton and Warren O. Preston. The two other aspirants are Pat West, movie comic, and A. J. Dewey, artist.

NEWS OF THE WORLD IN PICTURES

CANAL ZONE GETS JETS . . . U. S. air force's 23rd fighter group, one of the defense units for the Panama Canal zone, has completed its conversion from the wartime P-47 aircraft to jet-propelled P-53 Shooting Stars. These P-53s are shown en route to their home station, Howard air force base in the canal zone, where they will become an integral part of the canal's defense system.

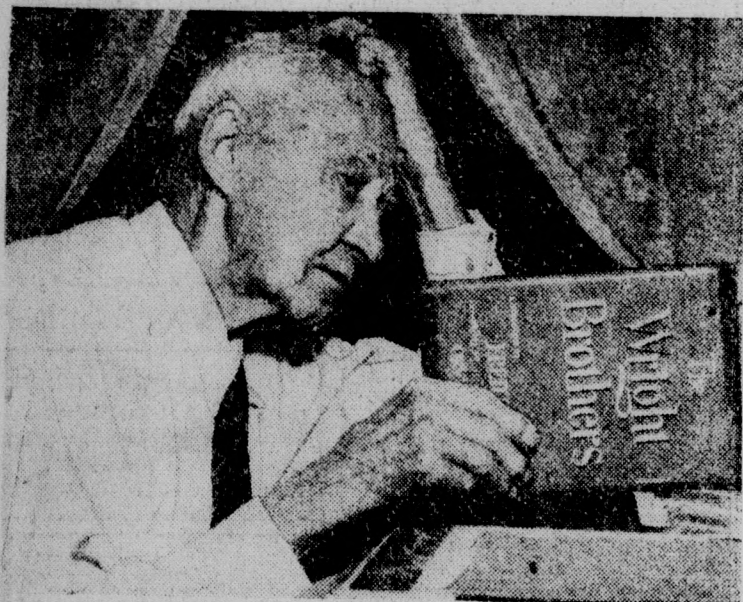

DIPLOMAT . . . Robert D. Murphy, chief political adviser to Gen. Lucius D. Clay, U. S. commander in Germany, was expected to be appointed to handle control of American-occupied Germany under a new state department setup for the zone to become effective July 1.

SOLDIER OF FORTUNE . . . Russell K. Haight Jr., 25-year-old ex-G.I. from New York, arrived in U. S., still wearing his Indian turban, after serving for two months as brigadier general in the free Kashmir rebel army.

SPUDS AND SEAFOOD . . . The annual senate debate on the relative merits of the Louisiana shrimp and sweet potato vs. the Maine lobster and potato took place at a congressional luncheon, with the argument ending, as usual, in a draw. Here, Sen. Owen Brewster (Rep., Me.) feeds a bit of lobster to Sen. John Overton (Dem., La.) as Elsie Waters (left) and Betty Green watch entranced.

THE MEMORIES HE HAS . . . Charles E. Taylor of Los Angeles, who was left \$800 a year for life by Orville Wright, holds book of the Wright brothers and recalls thrilling days when he assisted in the building of the first airplane engine the brothers used in 1903 at Kitty Hawk, N. C., in their epochal flight. Ill of a serious heart ailment, Taylor, when told of the bequest, said he was "grateful to Orville."

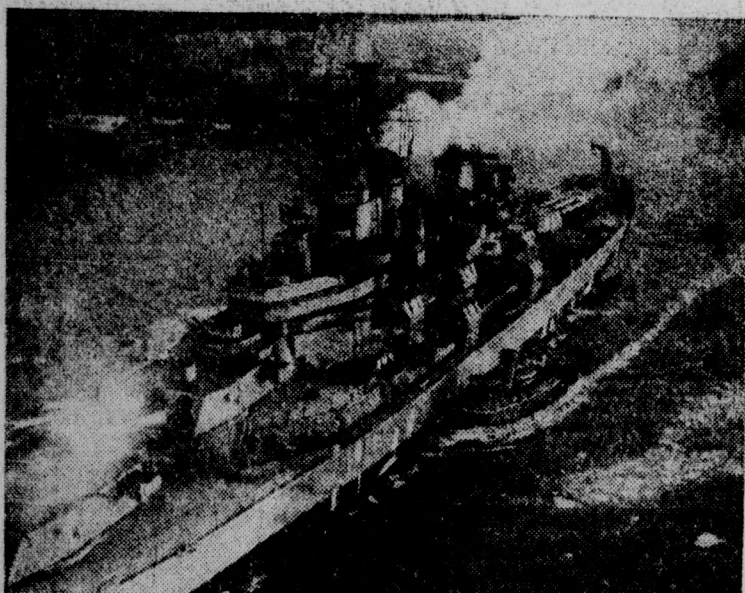

'UP-TO MARGARET' . . . Frank G. Handy, son of G. C. Handy, publisher of the Ypsilanti, Mich., Press, was reported to be object of the affections of Margaret Truman, daughter of the President. Said Handy: "If there is any announcement it will have to come from Margaret."

FAST BUCK . . . Gripped by nostalgia for the Old South, sub. Rep. Prince Preston (Dem., Ga.) made the mistake of redeeming a five-dollar Confederate bill sent in by a fellow Georgian. Word got around, and now the Confederate spinach is pouring in by the cartload.

WHAT, NO PIN BOY? . . . If this favored land holds another three-generation family of bowlers the Rockrohr clan of Clinton, Iowa, would like to arrange a match. Above are (left to right): Grandfather Otto, 78; Father Le Roy, 52, and Son Le Roy Jr., 23. Grandpa Rockrohr began bowling back in 1910, and despite his advanced age he still maintains a neat average of 152 that many a young duffer can envy.

BATTLE WAGON GOES LAST MILE . . . Her fighting days at an end, the USS New Jersey, once ranking among the greatest of American fighting ships, is shown passing from the East river as tugs haul her from the New York navy yard on her last voyage — an ignominious one in the light of her past achievements. The battleship is bound for Gravesend bay, Brooklyn, to be broken up for scrap.

VISITOR . . . In the glittering vestments of his exalted clerical rank, Mar Ivanies, leader of the Catholics in India and archbishop of Trivandrum Travancore, called on President Truman at the White House.

AGE OF INNOCENCE . . . Even a four-year-old Carol Ann Conlon of Miami had never seen a Florida orange she still would be plenty cute. Her own state thought so, too, because she won the "Little Miss Florida" contest.

CAPACITY TO BOUNCE BACK . . . This is a scene of courage. A visiting basketball team of paralyzed veterans from the West coast beat another team from the Bronx Kingsbridge Hospital by a 29-22 score. All the players competed from wheel-chairs and put out a brand of good, hard basketball throughout the game.

INCLUDE HIM OUT . . . If Secretary of State George Marshall can be believed, there is at least one prominent public figure who will not be running either for president or vice president next November, and that is Secretary of State Marshall. Quizzed as to whether he would consider being running-mate for Mr. Truman this year, he shoved his hands deep into his pockets and answered: "I don't think any reply to that question is required in the light of what has been said. I will never be involved in politics. I cannot be a candidate for any office." Marshall's greatest desire is to retire from public life to his Virginia home.

UNWILLING . . . Just 10 years after he sailed away on what he thought would be a brief visit to his native Germany, Johannes Keen, naturalized U. S. citizen, returned to his home in Cloquet, Minn. He had been forced by Nazis to serve in German army.

COLLEGE-BOUND D.P.S. . . . Two Estonian girls, Silva Mardiste (left) and Asta Tamm, were first displaced persons from Germany to receive scholarships to U. S. colleges.

PORPOISE POISE POISONIFIED . . . Down yonder in the tropical waters of the marine gardens at Islamorada, Florida keys, the peripatetic porpoises do everything except get down on one knee and sing "Mammy." Any porpoise lover would find his manifest destiny here at the "Theater of the Sea," new marine studio in which all the marine life lives not in confining tanks but in natural pools.
